

MINDFUL & MODERN ABA THERAPIES

Per Indiana Governor Eric J. Holcomb's Stay at Home order issued, Mindful and Modern Therapy Services is considered and "**Essential Business**" and we remain open to provide therapy services and provide families with options . We currently have no employee or families that have tested positive for COVID-19. <https://www.in.gov/gov/3232.htm>

We are committed to maintaining a safe environment:

MMT remains committed to providing medically recommended services to clients whose families still need or want services. All families are provided with a choice to put services on hold or to continue services with specific guidelines.

The management team at MMT is in constant communication throughout the day and evening. We are continuously working up productive solutions to provide quality services and maintain safety during these times. It is our mission to continue to provide high quality services to clients whose families choose to still want services. During the Week of 3/16 our Board Certified Behavior Analyst **began using telehealth services to help facilitate social distancing.**

We ask **RBT's and clients** to:

- Continue to wash hands (both yours and your child's) multiple times per day.
- Implement Social Distancing as much as you can.
- Sessions should be 1:1.
- Sessions will not take place and will be put on hold if the client or RBT has symptoms or fever. If they symptomatic, at risk, or live with at-risk individuals we ask the utilize the option to self quarantine.
- In an effort to increase social distancing, we have moved clients to in home-based services. Home-based services are the best option to both provide ongoing services while lessening the number of direct and indirect contacts. Rather than coming in contact with multiple patients throughout the day. We will continue to monitor the situation on a daily basis and if at any time we feel that the safety of our clients or RBT's are compromised services will be put on hold.

If you have questions or concerns, please reach out to us at 317.460.4147, or at hello@montessoriaba.com
